

## All Souls Chapel 50<sup>th</sup> Anniversary

Professor Craig A. Obafemi was the 50<sup>th</sup> Anniversary Chairman. Anniversaries are not only dates to mark when certain events occurred in the past, they are also occasions to reflect on the lives of individuals and organizations in order to appraise the past and prepare for the challenges of the future as dictated by experiences of the past years. Anniversaries are therefore, milestones in the lives of people, organizations and communities.

As the All Souls' Chapel celebrates the 50<sup>th</sup> Anniversary of its establishment, it cannot but reflect on the past with a view to learning lessons that should make it face future challenges with Christian faith and courage. Several activities (as shown in the flyer below) were lined up to mark the occasion. A Commemorative Brochure was commissioned – an intrinsic document that links the present with the past and open vistas into the future. Members of the
